## Full-Stack Developer

Full-Stack Developer with strong expertise in React, TypeScript, Node.js, and MongoDB. Adept at building robust APIs, integrating modern frontend frameworks, and deploying scalable solutions on Vercel and Render. Focused on code quality, performance optimization, and delivering seamless user experiences through clean, maintainable design.

Passionate about building scalable web apps that improve performance and drive measurable user engagement.

## WORK EXPERIENCE

### Neumcok

Sep 2025 - Present

EdTech platform focused on helping students prepare for national exams (WAEC, JAMB) through interactive tests and performance tracking.

#### Frontend Developer • Internship

- Implementing secure authentication and user management using Google OAuth and token-based access.
- Building a responsive exam preparation platform that helps students practice for WAEC, JAMB, and other standardized tests.
- Focused on delivering an intuitive UI and seamless user experience across devices.

### Tech Studio

Aug 2025 - Sep 2025

Tech Studio is a learning bootcamp that trains developers through hands-on projects and real-world applications using modern technologies.

#### Intern • Internship

- Developed and tested full-stack features with React and Node.js, improving performance and user experience.
- Collaborated in Agile sprints using GitHub for version control and code reviews.

## CERTIFICATIONS

### Full Stack Development Certification

Jan 2025

Tech Studio

## PROJECTS

### Instagram Clone

Feb 2025 - Apr 2025

- Built a full-stack social media app inspired by Instagram, featuring user authentication, image uploads, likes, and comments. Designed it to be fast, responsive, and scalable for a smooth user experience.
- **Tech:** React, Tailwind CSS, Node.js, Express, MongoDB, JavaScript

## SKILLS

- **Frontend:** React, Tailwind CSS, TypeScript, JavaScript (ES6+), RESTful APIs, Responsive Design
- **Backend:** Node.js, Express.js, MongoDB, Mongoose, Authentication (JWT)
- **Soft Skills:** Problem-Solving, Collaboration, Agile, Continuous Learning, Ownership, Adaptability
- **Tools & Other Skills:** Git & GitHub, Zod, Postman, Swagger, Vercel & Render, Figma

## EDUCATION

### Bachelor of Science in Computer Science

Estam University

Benin

Jan 2022 - Nov 2025
